

## Our Current COVID-19 Policies and Procedures

- Masks are required to be worn at all times when inside North Main Music studios, including in the waiting area and restroom. This is a Nashua City regulation that we must comply with in order to be open for business.
- In-person lessons are available on a limited basis, dependent upon teacher availability as well as the comfort level for \*both\* instructors and students and families. We are taking every possible precaution to ensure that our lesson rooms, instruments, restrooms, and studio spaces are cleaned between lessons and visitors.
- When possible, we will provide separate piano keyboards and drums so that students and instructors do not use the same instruments during a lesson.
- If you are experiencing any symptoms of COVID-19, such as fever or chills, sore throat, body aches, new loss of taste and smell, nausea, etc, we respectfully ask that you do not come into the studio.
- Online lessons will continue to be available for those who are more comfortable with this method for the time being.
